Hi Joe,

Sorry for the delay see the batch below.

We are having logistical issues when wholesaling cars and there seems to be a disconnect with the office at Superb.

For the time being I removed all users access to floor except myself to prevent any issues going forward. I will look more into it the next time I am there and I will make sure we have a similar process implemented to the other stores who do not have this problem.

Until I am confident it is resolved and everyone fully understands I will be the only user able to floor on this line.

We are also going to reduce the inventory at the store dramatically overall (at least another \$1m on top of this payoff) after speaking with Tony today.
